No L 4356-65 M1 40-30-23, dated 19-1-1930 (Copy enclosed for reference) This does not, I think, dispense with the sanction of Government in each individual case altogether, as it is stated in the Government Order, quoted above, that the payment of pecuniary rewards by Municipal Councils in such cases is open to objection, but that Government will have no objection to the grant of a monthly allowance at the rate not exceeding Rs 15/- Per month out of Municipal funds generally to such officers doing special Inoculation work This cannot be taken as general sanction the receiving of the rewards is permissible to the extent noted in the Government Order subject to the sanction of Government in each case

3 In these circumstances, I request that sanction of Government may be kindly obtained to the payment of the reward by the Municipal Council and to the audit objection being waived the connected records accompany

I have the honour to state that there is an audit objection to the payment of a sum of Rs 65/- by the Magadi Town Municipality towards the reward to the local Sub Assistant Surgeon for conducting Inoculations during the outbreak of plague at Magadi during the year 1941-42 It is seen from the enclosed records that due to the outbreak of plague at Magadi in an epidemic form, the local Municipal Council had resolved at their meeting held on 21-6-1941 that mass innoculations might be conducted and that the Sub Assistant Surgeon doing the Inoculation work be paid a monthly allowance of Rs 10/- till the epidemic subsided Accordingly, the Sub Assistant Surgeon was paid a sum of Rs 65/- on 6-12-1941 being the inoculation reward for the period from 21-6-1941 to 31-10-1941 the charge being met by reappropriation from he sanctioned grants, (vide resolution dated 31-10-1941), which the auditors have taken objection to as it is done without the sanction of Government
